

COMPOSTING

LET'S GET DOWN TO EARTH

Volunteer as a **Master Composter** and reduce waste in North Somerset

In partnership with North Somerset Council, Garden Organic are looking to recruit volunteers with a passion for composting, who can share their skills and knowledge with others.

Would you like to find out more about composting and help pass on the message to others?

- Free compost training covering the basic elements of home composting and related environmental issues —you don't need to be an expert. Book and resources provided.
- Ongoing volunteer support and training from Garden Organic.
- Local network of like-minded volunteers.
- Free Garden Organic membership.
- Volunteers generally undertake around 30 hours of volunteering each year by attending public events, talking to local schools and community groups or just chatting to neighbours.
- All expenses covered.
